# Thank you for joining the Game!

Use this space to draw pictures of what you imagine each 'creature' might look like

These 'wild creatures' are easy to find but remember to be courteous when asking for their signature. Bow when you see a coronet and always use your best courtly manners. The idea is to meet as many people in this unique SCA event as possible, but, there will be a prize so bring what you catch to the Games Tent by 8/11

Name(s)

Camping group/block

Age(s)

Kingdom(s)

Rules:

Be nice

Have fun, however, this is at your own risk

Peers count for where they were made OR where they live now

Smile, you are at Pennsic! Also - follow the Pennsic rules

Prize will be delivered on Friday

Each category is supposed to be 'growing' in the SCA from just entering the art/sci/etc to the top of the field

If you want to share on social media be creative!
